

# Foreword

Since its beginning in 1978, NISOD has sought to serve, engage, and inspire higher education faculty, administrators, and staff. Our conference, resources, and publications strive to reinforce the importance of teaching and leading and to celebrate instructors, staff, and administrators who make good on the promise of the open door.

The NISOD Excellence Awards were established in 1991 to provide NISOD member colleges with an opportunity to recognize individuals doing extraordinary work on their campuses. Since then, more than 25,000 recipients have been honored with the Award by their colleges. Using their own criteria, NISOD member colleges submit the names of men and women each year who have demonstrated an outstanding commitment and contribution to their students and colleagues. All individuals whose names are submitted are recognized as NISOD Excellence Award recipients. Each Excellence Award recipient receives a unique silver medallion engraved with The University of Texas and NISOD insignias and adorned with a burnt orange ribbon. Each May, during NISOD's International Conference on Teaching and Leadership Excellence, recipients are celebrated during an elegant and inspiring gathering that recognizes their contributions and achievements. This public show of appreciation for superb teachers and leaders in our institutions is a testament to the sincere commitment of NISOD and its members to celebrating excellence.

The Excellence Awards tradition gives NISOD the distinct privilege of honoring so many of our community colleges' best educators. We are indebted to NISOD member colleges for their continuing support of this annual celebration. While the pomp and circumstance of the Excellence Awards Program is conducted with a refined touch, the overarching statement is that teaching and leading on the front lines of the community college mission rest on the shoulders of these outstanding individuals.

*Congratulations*  
*2018 NISOD*  
*Excellence Award Recipients!*

# NISOD Excellence Awards

## ALABAMA

### Bevill State Community College

Kim Ennis  
*Interim President*

Tony Bolton  
Instructor, Auto Body Repair

Cyrus Brock  
Instructor, English

Jim Sanford  
Instructor, Mathematics and Physics

Greg Taylor  
Instructor and Division Chairperson,  
Biology

My role as a professor is to help my students believe in themselves. My students have truly inspired me. Despite difficult circumstances and many responsibilities, they choose to get educated. It is an honor to serve in a role where I can encourage them and provide moral support.

Anita Soracco, Quinsigamond Community College

## Great Leaders Are Also Great Teachers!

**Congratulations** to Lone Star College - Tomball President Lee Ann Nutt for being both a great leader and teacher!

### Examples of what students in Ferris State University's Doctorate in Community College Leadership program say about Dr. Nutt as a teacher:

“She is practical, encouraging and a phenomenal teacher... She is a true rock star!”

“She was amazing!...Dr. Nutt's openness and engaging personality took the edge off a very painful class.”

“Dr. Nutt is an incredible instructor. She takes so much time in giving caring, thoughtful, and thorough feedback on all of our assignments. I can tell that she reads over everything and really cares about helping us identify areas that need improvement.”

“Her commitment to learning, leadership, community, and connection are evident in her daily work. Thank you, Dr. Nutt, for being who you are and helping others to become who they can become!”

## Bergen Community College Congratulates Robert Highly

**2017-18 NISOD  
Excellence Award  
Honoree**

Praised by peers, Bergen biology professor Robert Highly has provided outstanding leadership since joining the College 25 years ago as a lecturer. His passion for his subject — and student success — has helped him continue to progress into his current position at Bergen, serving as department chair. Recognized by faculty and staff for creating an inclusive and collaborative environment, his guidance continues to strengthen his department, ensuring the success of his colleagues and students.

Reed Markham said, "Successful leaders see the opportunities in every difficulty rather than the difficulty in every opportunity." I strive to make each task, student issue, and classroom challenge an opportunity to make things better. Listening, caring, and a positive attitude are at the root of all decisions.

2018 NISOD  
EXCELLENCE  
AWARD RECIPIENT

## Dr. Tommy Thompson

Mathematics Faculty

Dr. Tommy Thompson was chosen for the 2017-2018 Dallas County Community College (DCCCD) Excellence in Teaching Award. Each of the 7 colleges of the DCCCD nominated one outstanding faculty member. The DCCCD has over 880 full-time faculty members. Tommy has taught mathematics in the DCCCD for forty years, including Brookhaven College (1978-1990) and Cedar Valley College (1977-1978, 1991-present). He serves as the QEP Director (*Math Empowerment*) and served as CVC Faculty President for twelve years and District Faculty Association President for two years. For twenty-six years, Tommy has served as Lead Advisor of CVC's Phi Theta Kappa chapter named Most Distinguished Chapter in 2014 and a runner up in 2015 and 2016. Dr. Thompson holds a Ph.D. in Mathematics, M.A. in Mathematics from the University of Texas at Austin; and earned a B.S. with honor in Mathematics from Southeastern Louisiana University.

*"Teaching empowers me to be my authentic self, and the best that I can be. Students, subject matter and instructor form community. Teaching is my way of combining self and service. In teaching, I feel a sense of excitement, fulfillment, and expectation that is sustaining, rewarding, and invigorating."*

Cedar Valley College

In my class, students are encouraged to answer critical-thinking questions by providing explanations and making sense of final answers, not just solving problems. I am inspired by the way my students answer questions. They can think and solve problems that relate to the community and the physical world.

Professor, Biology

As a nurse educator, my ultimate goal is to create dynamic, reflective learners who are not afraid to express their curiosity and creativity. Learners who travel not only the well-paved knowledge roads, but are confident enough to discover new pathways that continually challenge and elevate the nursing profession.

Linda Vogel, Lone Star College–Montgomery

At St. Philip's College, we study philosophy to better understand ourselves and our world. This often means a deep dive into the topics your relatives say to avoid at Thanksgiving dinner and grappling with some of the most profound questions that have disturbed and challenged humanity from time immemorial.

Andrew Hill, St. Philip's College

# HIGHER EDUCATION EXCELLENCE

## **National Institute for Staff and Organizational Development (NISOD) Award Recipients**

Eight Wharton County Junior College instructors have been recognized for their dedication and commitment to their particular fields of study by the National Institute of Staff and Organizational Development (NISOD). Front row, from left, are Brenda Bode, Instructor of Dental Hygiene; Amanda Smith, Instructor of Biology; and Mushira Shamsi, Instructor of Education and Early Childhood Development. Back row, from left, are Yvonne Smith, Instructor of Mathematics; Jodie Hutchinson, Instructor of Psychology; Jami Hughes, Instructor of Drama; Debra Lemson, Instructor of Music; and Lara Ondruch, Instructor of EMS.
