

FOREWORD

Since its beginning in 1978, NISOD has sought to serve, engage, and inspire higher education faculty, administrators, and staff. Our conference, resources, and publications reinforce the importance of teaching and leading and celebrate instructors, staff, and administrators who make good on the promise of the open door.

The NISOD Excellence Awards were established in 1991 to provide NISOD member colleges with an opportunity to recognize individuals doing extraordinary work on their campuses. Since then, more than 33,000 recipients have been honored with the Award by their colleges. Using their own criteria, NISOD member colleges submit the names of men and women each year who have demonstrated an outstanding commitment and contribution to their students and colleagues. All individuals whose names are submitted are recognized as NISOD Excellence Award recipients. Each Excellence Award recipient receives a unique silver medallion engraved with The University of Texas and NISOD insignias and adorned with a burnt orange ribbon.

The Excellence Awards tradition gives NISOD the distinct privilege of honoring so many of our community colleges' best educators. We are indebted to NISOD member colleges for their continuing support of this annual celebration. While the pomp and circumstance of the Excellence Awards Program is conducted with a refined touch, the overarching statement is that teaching and leading on the front lines of the community college mission rest on the shoulders of these outstanding individuals.

Congratulations

2024 NISOD Excellence Award Recipients!

CENTURY
COLLEGE

A member of Minnesota State

CELEBRATING EXCELLENCE AT CENTURY COLLEGE

As Minnesota's largest two-year comprehensive college, Century College thrives at the forefront of academic innovation. Located in the scenic White Bear Lake area, our campus is a hub for over 11,030 credit students enrolled in 162 diverse degree, diploma, and certificates and 5,490 individuals participating in Continuing Education and Customized Training programs. With academic programs ranging from Applied Design and Arts and Humanities to Health Sciences, Business, and STEM, Century College embodies a commitment to pioneering educational practices and programs. This academic vigor not only propels our graduates into successful futures but also drives substantial community growth, with our operations generating a \$386.3 million economic impact annually and supporting nearly 3,000 jobs.

Special Recognition to Our NISOD Excellence Awardees

This year, we are especially proud to recognize our Century College faculty and administrators who have been honored with the NISOD Excellence Awards. Your innovative approaches and dedication to education make Century College a leader in fostering academic and community development. Through your creative and forward-thinking initiatives, you have shown exceptional commitment to enhancing student experiences and educational outcomes.

Thank you for setting a standard of excellence and innovation at Century College. Your inspiring work not only shapes the futures of our students but also significantly contributes to the vitality of our educational community.

Century College is a member of Minnesota State. We are an affirmative action, equal opportunity employer and educator.
